

Direct Recruiters has been recognized as the relationship-focused search firm that assists Pharmaceutical Processing Equipment organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

FINDING TOP TALENT

Pharmaceutical services is a broad category comprised of contract research, contract manufacturing and contract sales organizations. This industry also includes organizations that serve the pharmaceutical industry in a variety of other capacities such as information services and technology as well as safety and strategy consulting.

The DRI team is comprised of Pharmaceutical Processing Equipment experts including Researchers, Senior Recruiters, and Practice Leaders who devote 100% of their efforts in this industry. They have a thorough understanding of the current job market and what it takes to fill open positions.

CORE VALUES

DRI's core values are our driving forces behind all that we do. We strive to meet our values in our relationships with clients, candidates and coworkers.

1. Respectfully tenacious
2. Team player
3. Positively impacts others
4. Solutions oriented

The DRI team is comprised of Senior Recruiters and Research Associates who have a thorough understanding of this emerging job market. On a daily basis, we are in contact with executive management and hiring authorities looking to hire top professionals.
