

CHARITY REFERRAL PROGRAM

Since 1983, Direct Recruiters, Inc. has placed a focus on social responsibility and our surrounding community. We instill in our culture a sense of corporate citizenship and strive to partner with organizations that feel the same way. Our charity referral program provides us with a way to donate to organizations that our client companies care about. Direct Recruiters will donate \$1,000 towards a charity of the clients' choice and in their name after the first placement from any introductions that turn into a new client.

HOW IT WORKS

- ▶ If you feel Direct Recruiters could be of assistance to another organization that you know of, send your DRI contact the company name and contact information
- ▶ Send Direct Recruiters the name of your favorite charity you would like the \$1,000 donation to go to
- ▶ Once a placement is made with the new, referred client, Direct Recruiters will send a check to your chosen charity for \$1,000
- ▶ You will receive a plaque with your name and the charity you donated to
