

Direct Recruiters has been recognized as the relationship-focused search firm that assists HR Tech organizations with recruiting, acquiring and retaining high-impact talent for mission-critical positions. We have been a trusted partner for some of the most progressive companies in the industry.

FINDING TOP TALENT

HR technology includes the use of hardware or software to automate and streamline human resource functions such as workforce analytics, performance management, benefits administration, payroll, compensation and more. Direct Recruiters' HR tech recruiters provide customized employment solutions including retained 'Direct Retention' search, contingency search and contract staffing. Our team of experienced HR tech executive search specialists are dedicated to sourcing, identifying, acquiring, and retaining top performing professionals to elevate the success of our client organizations.

CORE VALUES

DRI's core values are our driving forces behind all that we do. We strive to meet our values in our relationships with clients, candidates and coworkers.

1. Respectfully tenacious
